

An Evening with Samuel Adams

Date: Thursday, November 2, 2017

Time: 6:30pm - 8:30pm

Location: The Westwoods
9465 Kinsman Rd. ~ Oak Room B
Novelty, OH 44072

Samuel Adams will be speaking in the Oak Room regarding his life and the development of the United States from his personal perspective. Mr. Adams will discuss Banking, Education, Religion, Liberty, Property Rights and more from his life experiences. He brings the Founders intent for self-governance alive.

You will be amazed at how you directly engage Mr. Adams after the presentation in a question and answer time, from which you clearly will then understand that the events of the present are much like what they were in his time. As he interacts with you, you will be challenged to become engaged and active with the spirit of the Founding Fathers.
